### Child Protection Referrals by Reporter Type (Preliminary)

#### Why this matters: tracking referrals by reporter helps us monitor the impact of COVID-19 on our reporting network and identify groups we could activate to look out for kids and support families.

#### Change in number of reports by reporter category for most recent week

#### Why this matters: tracking referrals by reporter helps us monitor the impact of COVID-19 on our reporting network and identify groups we could activate to look out for kids and support families.

- The number of reports from law enforcement, which was previously holding steady, declined by 25%.
- Many schools on Feb. break.
